## Do you know bexio?

bexio allows you to generate business quotes much more easily and quickly than in Word or Excel. And since bexio is not just an invoicing program, but an entire **business software** suite, you can **kill several birds with one stone**.

bexio provides you with the following features in an **intuitive, web-based interface**:

- Business quotes, invoices, and orders
- Time tracking
- Online accounting
- Online payroll accounting
- VAT settlement
- E-banking connectivity
- Contact management
- Product management
- Project management
- Warehouse management

You can easily choose the [right package](#) to suit your needs.

Our goal with bexio is **to make SMEs more successful**. That is why we attach particular importance to making our software **affordable** to SMEs and **easy to use** so that we can **simplify and even eliminate** many of the work tasks that you encounter in the day-to-day administration of your business.

**What's more**, we asked our customers to tell us about the added value that bexio gives them. The results: bexio customers save an average of almost CHF 6,000 per year and a lot of time on top of that: [See the detailed results of the survey](#).
